Copy: National Chairmen
District Chairmen
Chairman, Constitutional Review Committee
Date: September 1, 2008
Subject: **Draft SLPP Constitution**

As you would know, the draft was prepared by the Constitutional Review Committee chaired by Mr. Eke Holloway and tabled at the last NEC meeting held in Bo. Following discussions at NEC in January 2008, it was accordingly revised.

In accordance with Clause 10 (2) of the Party's Constitution "**All proposed amendments to the Constitution shall be forwarded to the National Executive Council which shall circulate them to all regional branches of the Party at least three months in advance of the next Party Conference**", I hereby submit the draft Constitution of the Party .

Each district convention should discuss the draft and present its position to their respective Regional Chairmen and tabled at the Regional Convention. A copy of each district position should be sent the Constitutional Review Committee through the National Secretariat. A common regional position should be adopted for onward presentation to the National Party Conference.

I am sending copies of the draft to all district chairmen.
